

## **All About Attitude**

**Attitude is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think, say or do.**

**It is more important than appearance, giftedness, or skill. It will make or break a business,... a home,... a friendship,... an organization.**

**The remarkable thing is, you have a choice every day of what your attitude will be.**

**We cannot change our past,... we cannot change the actions of others,...we cannot change the inevitable.**

**The only thing we can change is our attitude.**

**Life is 10% what happens to us, and 90% how we react to it!**

**The Choice Is Yours!**
